

Central Wyoming Groundwater Guardian Team

Minutes of Meeting February 3, 2022

Chairman Floyd Field called the meeting to order at 12:10 pm.

Members Present: Floyd Field, Bruce Pedersen, Tom Edwards, City of Casper Public Utilities Division, and Margaret Teevens. No guests were present.

The minutes from the June 24, 2021 meeting were review and approved. Floyd motion, Bruce second, all in favor. All meetings were halted from June to February because of covid.

The water treatment plant is fully staffed and chemicals for the plant now have a consistent supplier.

Margaret Teevens to contact Jeff Sun at GIS and check on mapping of sewer lines in Dempsey Acres in relation to City well intake systems. The project was done for Natrona County Health.

Tom reported on the groundwater wells rehab caisson #2. Finished tank project. Staff is performing seasonal maintenance, prepping for surface water start up, tier 2 reporting for State.

Current demand is 4.8MGD. Tom delivered the results of the last well testing at Dempsey Acres. All bac-t's were good. Some locations had elevated nitrogens.

It was agreed that all meetings will be quarterly with the next meeting on March 24th.

Motion to adjourn by Bruce, 2nd by Floyd. Meeting adjourned.

Respectfully,
Margaret A Teevens
Secretary Groundwater Guardians
